

Have you or your family been affected by Covid19?

Are you struggling to pay your bills?

Is your income too low for you to manage?

Have you lost your job or had your hours reduced?

Are you sick or self-isolating?

Are you caring for someone who needs help?

**YES, to any of the above?**

The CAAND C19 Recovery Project can provide advice and support to help with these challenges.

We can provide you with a benefit check, specialist debt advice, employment advice, housing advice etc, to help you get back on track.

We can assist with food parcel deliveries, fuel and energy top ups.
